Golf Outings at Owl's Nest Resort & Golf Club

Owl's Nest provides golf outings that are fun, relaxing and sure to be a memorable day for you and your guests. We can accommodate from 40 to 144 players in many formats and we have an experienced team available to assist you with organizing and executing your event.

Hosting a golf outing can be an excellent way to treat friends, business colleagues or customers to a day of fun, relaxation and - to the extent you wish - competition. A day at Owl's Nest is perfect for small or large corporate outings, tournaments and even charity events and fundraiser's. Many charities have discovered that a golf outing is a great way to raise funds and get to know their benefactors.

Booking your event early is advisable. Many large groups plan their event up to a year in advance. Most events reserve the equivalent date for the following year during their current event. Our policy is to offer current guests the same date for the next year up until the end of the calendar year. Smaller groups can be accommodated with less notice depending on the day of the week and the time of the year.

2009 Golf Outing Rates

April and May \$65 per player

June \$85 per player

July/August \$90 per player

September - October 12 \$85 per player

October 13 - End of Season \$65 per player

Outing rates include:

18 holes of golf with cart, range balls
and professional scoring.
